## **But first, check out TeacherLists**

TeacherLists allows you to automatically add the items from your child's school supply list to your online shopping cart at major retailers like Amazon, Target, and Staples.

A few things to note:

- Be sure to check your cart – there may be items missing as items in stock at these retailers change frequently.
- You may find better deals shopping for items individually rather than using this tool.

The screenshot shows the TeacherLists interface for a 'Kindergarten Supply List'. The list is updated as of 06/07/2022 for the 2022-2023 school year, intended for all Kindergarten teachers. A 'VIEW DISTRICT' button and an 'En Español' option are visible. Below the list header, there are social media sharing icons for Facebook, Twitter, Email, and Print. The list items are:

QTY	ITEM
1	Backpack - No Whe
1	School Supply Box (Plastic) (8 1/2" X 5")

A yellow callout box with a red border points to the social media icons, containing the text: 'Click one of these buttons to add items to your cart! CHECK THE LIST to make sure everything was added correctly!'. Below the list, a red arrow points to a 'Take Me to My Cart' section. This section includes a 'Shopping in Store?' link and logos for 'Coming Soon', Amazon, 'Coming Soon', EPI, and Staples. A disclaimer at the bottom states: 'We earn from qualifying purchases through Amazon, Staples, Target, Walmart affiliate, or other retailer programs'.
