RE: Hughes Springs Independent School District of Innovation

Dear Commissioner Morath:

This letter is to inform you that the Hughes Springs Independent School District (HSISD) Board of Trustees ***intends to vote on the renewal*** of our District of Innovation Plan at the regularly scheduled meeting on February 14, 2022.

After having sought public comment and met all other renewal process requirements, the local District of Innovation Renewal Committee voted on January 4, 2022, to approve the renewed plan and forward it to our Board of Trustees. The Plan developed includes exemptions in the following areas:

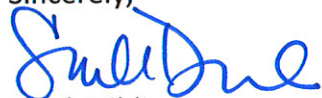

1. §25.0811 Uniform School Start Date
2. §25.112 & 25.113 Class Size and Notice of Class Size
3. §25.036 Inter-district Transfers
4. §21.102(b) Employment Contracts
5. §21.003(a) Certification

These are the same areas of exemption as our original DOI plan approved in April 2017.

The URL address for final proposed renewed DOI plan is: https://www.hsisd.net/page/DOI_Page

A copy of the final proposed renewed HSISD District of Innovation Plan has also been enclosed for your convenience. Please do not hesitate to contact me with any questions or concerns you may have.

Sincerely,

Sarah Dildine
Superintendent of Schools
