But first, check out TeacherLists – A new way to shop for school supplies

We are trying out this cool new tool to help make school supply shopping easier for parents.

TeacherLists allows you to automatically add the items from your child's school supply list to your online shopping cart at major retailers like Amazon and Staples.

A few things to note:

- Be sure to check your cart – sometimes there is an item or two missing as items in stock at these retailers change frequently.
- You may find better deals shopping for items individually rather than using this tool.

Click this link to get started:

<https://app.teacherlists.com/districts/1000209139-hughes-springs-school-district>

or go to www.teacherlists.com and click “Find a List”

****You are not required to use TeacherLists for school supplies. Regular school supply lists are posted below****

The screenshot displays the TeacherLists app interface. At the top, the logo 'TeacherLists' is visible. Below it, the title 'Kindergarten Supply List' is shown, along with update information: 'Updated: 06/07/2022 - School Year: 2022-2023 - Grade(s): Kindergarten - All Kindergarten Teachers'. A 'VIEW DISTRICT' button and an 'En Sp En Español' language selector are present. A row of social media sharing icons (Facebook, Twitter, Email, LinkedIn, Print) is located below the list. The list itself has two items: 'Backpack - No Whe' and 'School Supply Box Box (Plastic) (8 1/2" X 5")', each with a quantity of 1. A yellow callout box with a red border points to the social media icons, containing the text: 'Click one of these buttons to add items to your cart! CHECK THE LIST to make sure everything was added correctly!'. Below the list, a red arrow points to a 'Take Me to My Cart' section, which includes a 'Shopping in Store?' link and logos for 'Coming Soon', Amazon, 'Coming Soon', EPI, and Staples. At the bottom, a disclaimer reads: 'We earn from qualifying purchases through Amazon, Staples, Target, Walmart affiliate, or other retailer programs'.
