INDEPENDENT SCHOOL DISTRICT

HSISD Families –

In order to comply with Texas Department of Agriculture Guidelines, we are required to raise the price of our breakfasts and lunches by \$0.10 each for **full-price students** for the 2020-2021 school year.

Full Price Student Breakfast Price	\$2.30
Full Price Student Lunch Price	\$3.00
Reduced Student Breakfast Price	\$0.30
Reduced Student Lunch Price	\$0.40
Free Student Breakfast Price	\$0.00
Free Student Lunch Price	\$0.00

We encourage everyone to please complete a free & reduced lunch application! We have many students who would qualify for free or reduced meals who do not complete the application.

Many of our students will automatically qualify based on the fact their family is receiving some form of public assistance. We will receive that list from the state this week and will mail home letters to let parents know that they have qualified for free or reduced meals.

Copies of the application are available on our back to school webpage at www.hsisd.net. We will also be sending home copies at the start of school!
