

HSISD Parents & Staff Survey Results

We questioned parents & staff about what safety measures they would like to see put in place when we return to school. Keep in mind, we are still awaiting the official guidelines, but these are some that have been mentioned by the Texas Education Agency.

The percent below indicates the percent of respondents in that category who would like to see that safety measure implemented. As you can see, the top 5 where the same for each group.

<u>Safety Measure</u>	<u>Parents</u>	<u>HSISD Staff</u>
Daily Health Screenings of Staff / Visitors	60%	48%
Weekly Screenings of Students	44%	51%
Restrictions / Limitations on Campus Visitors	56%	75%
Increased Daily Sanitation Efforts	90%	88%
Scheduled / Regular Handwashing by Staff / Students	69%	58%
Open Windows / Fresh Air	32%	38%
Classes Held Outside When Possible	40%	39%
Staff Required to Wear Masks / Face shields	27%	29%
Students Allowed to Wear Mask When Developmentally Appropriate	34%	42%
